

第23回静岡健康・長寿学術フォーラム ポスターセッション 参加者一覧（浙江省医学科学院）

【日中健康科学シンポジウム共催】

発表No.	氏名	所属	タイトル
2	Chuan Sun 外	Institute of Hygiene, Zhejiang Academy of Medical Sciences	The genotoxicity of formaldehyde and cadmium co-exposure on Sprague-Dawley rats
3	Haibao Zhu 外	Zhejiang Academy of Medical Sciences	Simultaneous determination of organic and inorganic compounds in waste water by liquid chromatography coupled with ion chromatography column-switching system
16	Fangwei Dai 外	Laboratory Animal Centre of Zhejiang Academy of Medical Sciences 外	Early detection of Toxoplasma gondii infection in Mongolian gerbil by quantitative real-time PCR
17	Peibei Sun 外	Department of Reproductive Physiology, Zhejiang Academy of Medical Sciences	Sperm CFTR expression rate shows potential predictive capacity of fecundity in healthy population
18	Li Ju 外	Zhejiang Academy of Medical Sciences	Mir221 Inhibits Cell Migration by Increasing the Annexin I Expression in Human Mesothelial Met-5A Cells Neoplastic Transformed by Multi-walled Carbon Nanotube
22	Lyu Hangjun 外	Blood Center of Zhejiang Province, Key Laboratory of Blood Safety Research of Ministry of Health, Zhejiang Academy of Medical Sciences	Molecular biology analysis for a novel allele Ael08 of the ABO blood group system
27	Jing Jia 外	Zhejiang Academy of Medical Sciences	Screening of Sphase-kinase-associated Protein2 in the Cervical Carcinoma Hela cell
29	Hongyu Li 外	Institute of Materia Medica, Zhejiang Academy of Medical Sciences	Enhanced Anti-Tumor Effects of Cell-Penetrating Supercharged GFP-Trichosanthin Fusion Protein
31	Yongfei Song 外	Center for Molecular Medicine, Zhejiang Academy of Medical Sciences	Brother of Regulator of Imprinted Sites (BORIS) inhibits cisplatin induced DNA damage in non-small-cell lung cancer
